

**NAME:** SAMRUDDHI SUDHAKAR DESAI

**QUALIFICATION:** BTECH COMPUTER SCIENCE ENGINEERING

**PASSING YEAR:** 2024

My Strengths, Weaknesses, Opportunities, and Threats are:

**STRENGTHS:**

- Good knowledge in full stack development
- Quick learner
- Never give up
- Positive way of thinking
- Certified in Database management system by NPTEL, National level project competition
- Certified with utility patent of Project Multilinguistic Voice controlled Wheelchair (In progress)

**WEAKNESSES:**

- Lack of experience in C++
- Limited knowledge in .NET, React
- Sometimes lazy

**OPPORTUNITIES:**

- Overcome the all weaknesses after joining CDAC Mumbai
- Career growth after learning upcoming technologies
- Getting dream job
- Job opportunity in Software development
- Artificial Intelligence

**THREATS:**

- Recession in IT
- Continuously update skills based on new technologies
- Social Media, Movies, Dramas
- Mobile
- Negative people
- Artificial Intelligence

My strategy to overcome my weaknesses, threats to meet opportunities:

- Being attentive
- Develop consistent study routine
- Time management
- Stay focused on my goals
- Small daily habits like making notes, coding practice every day
- Making connection with positive people
- Being updated to know recent technologies
- Learning from errors, failures
